The Master of Healthcare Administration (MHA) program provides students with the leadership skills and technical tools needed to improve the human condition and prepare for increasingly responsible leadership roles across a broad spectrum of healthcare-delivery organizations. The small size of the MHA program ensures one-on-one attention from professors, as well as opportunities to work with some of the nation's top-ranked hospitals and healthcare facilities. Graduates develop relationships that allow them to explore remarkable opportunities in healthcare administration and much more.

**Estimated Tuition & Fees**
The tuition estimates account for a projected 3.5% tuition increase for the 2019-2020 academic year. Tuition is not fixed and is likely to increase each year.

- Full-Time MHA: $51,300
- Professional MHA: $47,000
- MHA/Full-Time MBA: $79,000
- MHA/MPh: $53,300
- MHA/PMBA: $84,000
- MHA/MPA: $52,700

**Scholarships and Tuition Assistance**

**Non-Resident Tuition Assistance**
Applicants who do not qualify for resident tuition may be eligible to receive non-resident tuition assistance through the University of Utah's Office of Admissions. Out-of-state applicants with a Utah address may be eligible for the Residency Reclassification Application, allowing graduate students to receive in-state tuition.

**WICHE-Approved Program**
The MHA program is approved as a Western Regional Graduate Program (WRGP) for non-residents. This allows out-of-state applicants who are residents of a WICHE-member state to enroll in our MHA program while paying in-state tuition. See if your state qualifies at WICHE.edu.

**U of U Alumni Scholarship**
University of Utah alumni who have graduated within the past five years are eligible for a 10% tuition scholarship once admitted to the MHA or PMHA program.

**First Ascent Student Scholarship**
This scholarship is designed to help those students from various diverse backgrounds with significant financial need to attend the MHA program at the University of Utah. Recipients of this scholarship are expected to share their diverse perspectives through their participation in the classroom, MHA-related events, and other on-campus activities.
The MHA program of study includes a hands-on cohort series and access to a top network of alumni and executives. Students exit the program prepared for leadership roles in a variety of fields, including healthcare delivery, public health, healthcare policy and health services research.

Top Alumni Network
Connecting with the MHA alumni community is one of the strongest networking opportunities available to students. Our alumni are employed across the U.S. and remain highly involved with our program. They engage with students in both formal and informal ways, including helping students network with their organizations and participating in mentoring opportunities.

Professional MHA (PMHA) Program
The Professional MHA (PMHA) program is designed for current healthcare professionals with 3+ years of full-time work experience who want to further their potential, opening doors to career advancement and leadership positions in the healthcare industry. PMHA students will take a mix of evening and online classes, allowing them to continue their career while going to school.

Career Development
The MHA career development manager works to provide career-focused training and resources that complement classroom studies and facilitate mutually beneficial connections between students, alumni and corporate recruiters. Leveraging their internship experience and network of local executives and MHA faculty, MHA students secure top-level jobs and administrative fellowships.

Experiential Opportunities for MHA Students
The MHA program offers a number of applied-learning opportunities to help students expand their professional network, increase their skills and connect with executive-level mentors:

- MHA Student Association
- Healthcare Administration Case Competitions
- UMentor Healthcare Leadership Program
- ACHE Annual Congress on Healthcare Leadership
