

Fall 2020 Undergraduate Update

June 18, 2020

Class Schedule

- Guidelines for the fall semester will require some changes to assigned classrooms and student/faculty schedules.
- Preserving the in-person college experience of our first-year students and helping seniors complete their degrees are our guiding principles.
- Other courses may be offered in a hybrid (some online/some in-person) or alternating attendance format.
- Online resources and digital technology will be maximized for every course.
- Faculty will provide syllabi and regular class communications through Canvas.
- Recorded and streamed lectures through Zoom and other digital technology will be used regularly.

Types of Instruction

- In-Person = Class on campus with social distancing followed
- Hybrid = Some on-campus
- IVC = Interactive Video Conferencing; synchronous online course
- Online = Asynchronous online course

Physical Distancing

- Reduced capacity in classrooms and laboratories, restricted traffic patterns in hallways and wearing of face coverings in common indoor areas, including classrooms, and when maintaining a 6-foot distance is not possible outside.
- For those who do not have a face covering, the university will provide one.
- Hand sanitizer and wipes will be provided in every classroom.
- We are working with space planning and the Registrar's Office to make the best use of our classrooms. Full schedules will be available July 1.
