

# ECCLES EVENTS AND ENGAGEMENTS: PLANNING AND IDEAS

Providing an Eccles Experience for our thousands of students will be a challenge! We'd like student groups, programs, and organizations to plan events that will help our students have a robust and memorable college experience.

Here are some ideas and suggestions for hosting your own Eccles Event. If you have an idea for an "Eccles Engagement" - a more limited experience hosted by an alum, faculty, or community member, reach out to [Kris Bosman](#) in the Alumni Relations office to get started!
