# HIRING & RECRUITMENT \*

Let us help you acquire the best talent. We'll work with you to outline options that meet your organization's need, and then follow through with implementation to get you results.

## HIRING ASSISTANCE

- Target openings to relevant students and alumni
- Full- and part-time

## MARKETING

- Your opportunities featured in bi-weekly newsletters, social media posts, online job boards, and Eccles School webpages

## PROJECT WORK

- Access various programs such as Crimson Projects and Goff Scholars for short-term projects such as data analytics, operational efficiencies, financial projections, go-to-market research, and more.

## HANDSHAKE

- A job board that allows you to attract talented candidates across the University. Handshake also gives the ability to include other colleges and universities with a simple click.

## INTERSHIPS

- Assist with developing the concept, learning objectives, and company outcomes
- Direct student outreach to find qualified candidates

## HIREVUE

- Screen large pools of applicants remotely. View candidates' responses to your specific questions any time.

## PRESENT & CONNECT

- All-campus career, job, and STEM fairs
- Eccles Student Alumni Board
- HeyU Podcast
- Host a faculty or alumni lunch
- Judge business case competitions
- Round table discussions
- Seminars, conferences, and info sessions

## MENTORSHIP

Build your talent pipeline when you give back. Develop meaningful relationships with students succeeding in a new stage of life.

- First Ascent and Opportunity Scholars programs
- Forever Utah
- Judge business case competitions
- Round table discussions
- Seminars, conferences, and info sessions

# NETWORKING &

# STUDENT ENGAGEMENT

Our virtual and in-person engagement opportunities help you build rapport with our campus community, develop relationships with students, faculty, and staff, and recruit undergraduate and graduate students for full-time and internship roles.

## EVENTS AT A GLANCE

### MEET THE TEKS

Connect with students in business analytics, information systems, and related programs with tech, analytics, and programming skills.

### HIRE U

Network with finance and accounting students to fill full-time and internship roles.

### MARCOMM EXPO

Meet a mix of students from several schools with education and experience in marketing, sales, and communications.

### GEAR UP NETWORKING EVENT
