What is Beta Alpha Psi?

Beta Alpha Psi is an honor organization for finance, accounting, and information systems majors created to guide students toward professional conduct, strong ethics, and confidence. The objective is to encourage scholastic and professional excellence.

Beta Alpha Psi gives students the opportunity to meet and build relationships with professionals from local and larger firms during our weekly meetings and activities. Additionally, our service and community outreach projects foster an environment that allows students to engage with our community.

ANNUAL MEETING

During free time, students networked with professionals, went sightseeing in Las Vegas, and attended the Beatles Love Cirque du Soleil.

Beta Alpha Psi appreciates your support in providing these growth opportunities for students.

Service Projects.

After each weekly meeting, students stay after to participate in service projects. This gives students the opportunity to engage with fellow students and build relationships with professionals while also making an impact within their community.
