

NOW ENROLLING GLOBALLY: **APPLY NOW**

The award-winning and accredited Master of Business Creation (MBC) at the University of Utah's David Eccles School of Business is now enrolling founders globally. It will help them grow and accelerate their startups. Selected candidates will enroll online from their country of residence. **The program offers founders a unique, integrated, application-focused curricula, intense one-on-one mentoring, and experienced faculty to help founders find product-market fit and grow sales.** The MBC is offered by a university ranked top-10 for entrepreneurship, and it combines the best of a graduate business-degree program with a business accelerator.

WHY MBC?

- Top-10 ranked for entrepreneurship
- Focused on your startup
- Accelerator meets business degree
- Build and scale a new business
- Keep your equity
- Participate online
- Mentors and curriculum facilitators
- Intensive experience
- Affordable program
- Access to U.S./other regions
- Global community (alumni, mentors)
- Abundant resources
- High-quality education
- Learn by doing
- Cohort structure

MISSION & OBJECTIVE

The MBC Global program mission is to help entrepreneurs to successfully launch and grow their companies and build a global community of "doers."

The objective is to become the preeminent, U.S. accredited, global online graduate degree for entrepreneurs.
