

# NOW ENROLLING GLOBALLY: **APPLY NOW**

The award-winning and accredited Master of Business Creation (MBC) at the University of Utah's David Eccles School of Business is now enrolling founders globally. It will help them grow and accelerate their startups. Selected candidates enroll online from their country of residence. **The program offers a unique, integrated, application-focused curricula, intense one-on-one mentoring, experienced faculty, and rich resources to help find product-market fit and grow sales.** Over 200 founders have participated. The MBC is offered by a university ranked top-10 for entrepreneurship. It combines the best of a graduate business-degree program with a business accelerator. It is more than a program, it is a movement. Join us.
